TREASURER – SARAH BAUN

Sarah's love of horses began at the early age of three and her passion for Arabians began the moment she got her first horse, a purebred Arabian mare named MAF Sara-Alia. From there, Sarah began competitively breeding and showing purebred Arabians and has continued to grow her passion for the breed in the Sport disciplines. She has competed multiple times regionally in Dressage, Sport Horse Under Saddle, Sport Horse in Hand and Halter with numerous wins and titles. She especially enjoys developing young horses that she has bred as part of her program, Hunter Creek Arabians. Sarah values the relationships she has built with fellow competitors, breeders and equines alike throughout the years and looks forward to the ones yet to come.

SECRETARY – ROXANNE APPELL

Roxanne lives with her husband Ken on a ranch just north east of Kenosee Lake, Saskatchewan. Together they run a full service boarding facility with a small indoor heated arena, outdoor arena, acres of pasture land and access to the provincial park trail system in close proximity. Having upwards of 40 horses on the property their days are filled primarily with the care and ongoing training of their equine friends. Guest clinicians, facility rental, lessons and training programs are also available at the ranch. Roxanne along with her granddaughters - have for several years been showing, working with, and doing events on various breeds, but primarily full and part-bred Arabians.
